Quality Instead of Quantity OUR MOTTO

It is with pleasure I am sending you my 1938 Dahlia folder. I hope you will appreciate receiving it as much as I appreciate sending it to you.

We also express our appreciation and sincere thanks to those who purchased our stock last year and are grateful for the many letters commending our stock, our square dealings and telling of the success with the roots and plants purchased from us.

We guarantee our stock and consider no sale complete until you are entirely satisfied.
